BORN TO THE MOST NOBLE OF ACHILLES HOMERS, THE LATEST IS CONTINUING THE FAMILY HERITAGE AND RESPONSIBILITY as GUARDIAN of THE Floating Island, DEFENDER OF ALL AGAINST THE FORCES OF EVIL FROM THE WORLD BEYOND AS WELL AS THOSE WHO WOULD THREATEN FROM WITHIN!

Anchor Comics and SPIN present... **KNUCKLES THE ACHILLEAN**

One of the hardest facts of life to deal with is that there is always someone bigger, tougher, braver and smarter than you are. We all experience the pain of this particular learning process.

Even a Guardian of the Floating Island has to face up to the challenge, whether it's the bully from his past, or someone new with a desire to measure himself against what he considers a worthy adversary...
